

## ***Missionary Retreat, Chamaloc, France***

June 30<sup>th</sup> – July 6<sup>th</sup> of 2019

December 2017

Dear friends,

As you may well know, every three years we convene a one week retreat to encourage active and retired workers. Our last one was in 2016. The good news is that preparations have now started for the next retreat in the summer of 2019. This letter simply aims to provide you with basic information so that you can make your plans and reservations. More detailed information will follow later.

**Where:** La Maison du Rocher, 26150 CHAMALOC – France

**Dates:** Sunday 30<sup>th</sup> June – Saturday 6<sup>th</sup> July 2019

**Basic programme:**

Sunday evening:	Arrival
Monday:	“Trustees” day
Tuesday – Friday:	Seminars, discussions, presentations, fellowship, encouragement, relaxation
Saturday morning:	Leave

**Language:** As in previous Retreats, the language spoken will be English. In 2019, as in 2016, we would like to provide some translation into French, especially the main messages, and maybe 1 or 2 of the discussion groups.

**Costs:** We expect the cost to be between 250 - 300 Euros per person

**Reserve a place:** Reservations will be taken after Monday **1<sup>st</sup> of October 2018**. Before that date, you will receive further registration information. If at all possible, all correspondence should be in English. Unfortunately, due to space limitations at Chamaloc, children should enjoy themselves elsewhere.

**Organizing team:** Frederic and Siglinda Walraven – NL  
Philip and Anneke Nunn – UK/NL  
Jean and Liliane Lacombe – CH
